Wilsonart Designer White (D354-60)	W	Designer White	Call	10 White	Grey

*This laminate available in HPL and LPL. **Indian Smoke edging is the same color as Formica Indian Smoke laminate (913-58).

*** **10% upcharge for this laminate.**

Tip: Contour Laminate default grommet colors are as follows: Natural Maple (Medium Tone), Designer White (Grey), Hayward Cherry (Black), Studio White (Grey), Urban Walnut (Black).

Tip: Veneer default grommet color is black. Laminate with veneer edge grommet color defaults to the laminate.

Alternative Edge colors that are within the offering, yet not the default for a given laminate, can be specified for a **\$75 net fee per order**. For example, you may prefer white laminate with a black edge. If your laminate choice is a special then there is no AEF fee involved.

Urethane Edging

Urethane edging is a tremendous product for high use areas where optimal performance is required. Urethane edging is permanently sealed to the core and seamless, preventing damage from moisture. The edging is impact, puncture, and stain resistant. Additionally, this edging prevents the growth of bacteria with an extra supplement of anti-microbial additive. The product is durable enough (semi-soft 75 Shore A durometer) to withstand repeated sanitizing. Enwork offers 5 standard colors (defaults) and additional availability of 40 colors.
