

**STACK-ON SCREENS**

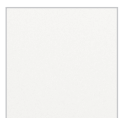

Secured to existing dividers for additional height and protection

**Stack-On Screen Details**

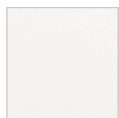

- Silver clamshell style brackets create a sturdy connection to join screens.
- Can attach to panels 1/4"-1" thick.
- 12" or 16"H; 24", 30", 36", 42", 48", 54", 60", or 72"W.

Refer to the COVID-19 Rapid Response Price List for exact panel dimensions. If an exact match to existing panels is requested, a field-measurement and custom quote is recommended.
