Notes:

1. This quotation does not constitute a Purchase Order. The quotation number should accompany your Purchase Order when submitted to orders@enwork.com, with all relevant options selected and applicable dealer drawings included. Only a PDF file of the worksheet can be used to support your Purchase Order (.SP4/.SIF files will not be accepted).
2. This quote contains Enwork V.18 List Pricing unless otherwise noted at the top of page 1, effective April 1, 2022. Pricing remains valid for 30 days from date of quote. Please contact your local Enwork Representative for discounting questions.
3. Freight is included on orders over \$1,500 net. Orders less than \$1,500 net are assessed a \$150 net freight fee.
4. Please refer to current manufacturing lead times at <https://www.enwork.com/resources/dealer-support>, unless otherwise noted on this quotation. Non-standard Enwork finishes and special products may have extended lead times. Actual lead time at time of clean Purchase Order will be provided via an Order Acknowledgement from your Enwork Customer Care Expert.
5. Quotation of product is based on typicals provided - verification of handedness, quantities, local code requirements, and product placement to be determined by dealership / GSA purchasing agent prior to order entry. ANY changes made by the dealer are the responsibility of the dealer. If a .SP4/.SIF file is provided, the PDF file of the quote still sets the precedent. Special/Custom items are hand-entered into the worksheet/SIF file and cannot be updated against the catalog.
6. Applicable fees have been applied to this quote (see NET/LIST fees at bottom of quotation). Fees may change based on final selections - please contact designteam@enwork.com to confirm final required fees otherwise Enwork Order Entry will make the determination based on actual selections and quantities on the Purchase Order.
7. Installation drawings are the responsibility of the purchasing dealer. Specific product installation instructions are available online at www.enwork.com. All standard Enwork products are supported in 2020 CAP/2020 GIZA/Project Matrix/CET (via Project Matrix Extension for dealer generated drawings and layouts).
