

ENWORK

U N I V E R S A L M O N I T O R M O U N T

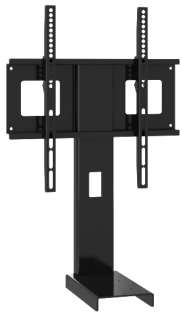

Enwork's Universal Monitor Mount turns any table into a media sharing hub. Attaching to the underside of any table, cables are kept tucked away and out of sight with a magnetic back cover. The optional acoustic back trim hides and protects the back of the monitor while adding aesthetic appeal.

UNIVERSAL MONITOR MOUNT

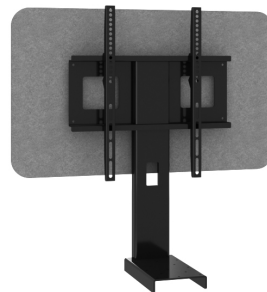

Monitor Mount Details

- The monitor mount works with any table
- Optional acoustic trim attaches to back of monitor mount to conceal back
